

MAHAMAYA BALIKA INTER COLLEGE, NOIDA

The Renaissance

I am pleased to learn that MBIC, Noida campus, is publishing a newsletter that showcases the indomitable spirit and creative talents of its teachers and students. Providing quality education has always been MBIC's top priority, earning it a distinctive reputation and recognition across India.

I extend my best wishes to the teachers, staff, and management of MBIC, Noida, and encourage them to continue their excellent work in shaping the future generation for the betterment of society.

IAS Lokesh M.
CEO, Noida Authority

Congratulations to the entire team at MBIC Noida for successfully publishing the school newsletter. In today's interconnected global society, MBIC Noida equips students to thrive in a competitive global environment by fostering awareness of the ever-evolving social and economic landscape. The school focuses on nurturing 21st-century skills, encouraging students to be creative, communicative, imaginative, tech-savvy, and multilingual.

I wholeheartedly commend the Principal, staff, and students for their outstanding efforts.

IAS, Sanjay Kumar Khatri
ACEO, Noida Authority

Dear Students, Parents, and Staff,

As we approach another exciting chapter in MBIC school journey, I am reminded of the incredible teamwork and dedication that define school community. This year has been filled with opportunities for growth, achievement, and connection, and I am so proud of the enthusiasm and hard work displayed by everyone.

All the best and Thank you for being an integral part of this journey.

Dr. Vishwas Tripathi
Registrar, Gautam Buddha University

Dear Mahamaya Family,

As we wrap up another exciting year, I want to take a moment to reflect on our shared accomplishments and highlight the incredible efforts of our students, staff, and families.

This year, we have witnessed amazing strides in academics, athletics, and the arts. From specific achievements, in successful Annual Sports Day, I am inspired daily by the energy and dedication of our students and staff.

Thank you for trusting us to guide and support your children. Together, we continue to build a strong, vibrant, and inclusive school community.

Warm regards

Dr. Neeraj Tandan
Principal Incharge

As we move forward through another academic year filled with both challenges and successes, I would like to take a moment to acknowledge the collective accomplishments of MBIC, Noida.

The dedicated faculty and staff of Mahamaya Balika Inter College have tirelessly created a nurturing and engaging learning environment for their students. As

we look to the future, I encourage everyone to continue fostering a spirit of unity and curiosity.

Let us aim for even greater success in the coming months, knowing that our combined efforts will contribute to a brighter future for all.

Best Wishes!!

Prof. Ravindra Kumar Sinha
Vice Chancellor
Gautam Buddha University

As we celebrate today, we remember that learning is a journey, not a destination. We encourage our children to keep exploring, discovering, and growing. We want them to be curious, ask questions, and seek answers. We want them to be creative, think outside the box, and dream big. We want them to be kind, empathetic, and compassionate towards others.

Let us cherish the memories of this year and look forward to many more years of learning, laughter, and adventure together! Let us continue to nurture our children's love for learning, support their curiosity, and encourage their creativity.

Congratulations to our MBIC students. We are so proud of each and every one of you, and we can't wait to see what the future holds for you. Keep shining bright, dear children!

IAS, Purna Singh
ACEO, Noida Authority

Dear Students, Parents, and Staff,

As we near the close of another vibrant year, I am filled with pride at the collective achievements of our school community. Each day, our students demonstrate curiosity, resilience, and a commitment to excellence, while our teachers and staff work tirelessly to nurture an environment where learning and growth flourish.

This year, we celebrated numerous milestones, from academic accomplishments to extracurricular triumphs, all of which showcase the diversity and talent within our school.

Thank you for your unwavering support and dedication. Together, we are building a legacy of excellence and community spirit.

Warm regards

Dr. Chhaya Jain
Vice Principal MBIC

Achievements

Editor Desk

Dear Readers,

Welcome to this year's edition of our School Newsletter! We're excited to bring you the latest updates, achievements, and upcoming events that continue to shape our vibrant school community.

In this issue, we celebrate the incredible efforts of our students and staff, whether it's in academics, arts, or sports. We also highlight and reflect on the moments that make our school a wonderful place to learn and grow.

Thank you for being an integral part of our journey. Your support fuels our mission to nurture creativity, curiosity, and excellence in every student.

Happy reading!

Warm Regards,
Kiran Dimri
P.G.T., English

Greetings!!

It has been a great pleasure studying at this school and learning from a faculty that works tirelessly for us. This school has played a significant role in identifying and nurturing my potential, both as a student and as the school captain. The entire faculty

continually strives to empower students and guide them toward building a bright future. I am deeply grateful for the opportunity to study here.

Thank you
Warm Regards
Riya Sharma (Head Girl)

CBSE Results 2023-24

Our students outshine their competitors in the board exams every year and they come out with flying colours. The board result is a reflection and culmination of all that MBIC stands for. With discipline, dedication and diligence they achieved their goal.

CLASS-X

i.	Tanisha Tomar	94%
ii.	Poorwanshi Singh	92.4%
iii.	Saloni Sharma	92.2%

Facilities

The school campus offers a learner-friendly environment with a fine blend of functionality and aesthetics. It is a residential school with deployment of security personnel for the safety and security of the students taken by the school to ensure a safe campus environment.

i. Labs and ATL lab:

The school has spacious, well-equipped Physics, Chemistry, Biology, General science, Mathematics and computer laboratories.

ii. STEM Lab:

The school has spacious and well-equipped STEM Lab. It provides hands-on opportunities for students to engage in problem-solving, critical thinking, and innovative projects. Equipped with tools, equipment, and resources, a STEM lab encourages creativity and collaboration, helping students apply theoretical knowledge to real-world challenges.

iii. Smart Classes:

The school is equipped with smart classes that use advanced technology to enhance the learning experience. Each classroom is fitted with interactive smartboards, allowing teachers to present lessons through multimedia like videos, animations, and interactive exercises. This makes learning more engaging and helps students grasp complex concepts with ease. The smart class setup also encourages active participation and collaboration, creating an environment where students can learn at their own pace and access a wide range of resources. It's a modern approach that makes education more exciting and effective.

iv. Library:

School has well-resourced, aesthetically designed Primary and Senior School Library with colourful, age-appropriate furniture.

v. Music and Dance Room:

The school has music room that has variety of musical instrument. The dance room provides a smooth performance space that facilitates students to explore various dance forms.

vi. Art Room:

School has Art Room a spacious facility, with a dedicated workshop space, designed to spark the imagination of young students and motivate them to use various medium and shape their creativity.

vii. Medical room:

The medical room is a well-equipped facility to provide first aid and attend to any medical emergencies. The students reporting ill are attended by qualified and experience nurse.

viii. Sports facilities:

The school has a well-laid, lush green playground, a multipurpose court and indoor sports complex. These facilities are used for providing coaching to students in various sports and games such as football, hockey, badminton, athletics, chess, carrom, Table Tennis etc.

ix. Auditorium:

The Auditorium is an ideal venue for activities such as music, dance, drama, skits, guest lectures etc.

x. Transport:

The school has well-maintained, dedicated fleet of buses with required safety measures. Female attendants have also been deputed in each bus for safety of students.

English Club

The English Club of MBIC successfully organized activities such as debates, essay writing, poem recitation, and poem composing. These events were conducted in a well-structured manner, showcasing the students' creativity and linguistic excellence. The club's efforts yielded outstanding results, enhancing participants' confidence, critical thinking, and communication skills.

Inauguration of Smart classes

12 smart classes were set up and inaugurated by Innodata in our school. This step of Innodata Company in the field of education is very commendable. Mr. A.K Mishra CEO Innodata, Mr Prince Vice President Innodata, and Senior Vice President Mr Alok Sinha of Extramarks Foundation. Principal Dr. Neeraj Tandon and Vice Principal Dr. Chhaya Jain expressed gratitude to the Innodata company and said that this step of Innodata will definitely prove useful for the girl students and the girl students will definitely benefit in the field of education in this digital era.

Rotary Club

Installation of Interact Club Sponsored by Rotary Club of Delhi. The Students were pinned the badges by the Rotary Club President Rtn. Anupama Chopra, Director , Skill Development Rtn. JP Shukla and Vice Principal Dr. Chhaya Jain. Interact Club Students took oath to serve the community and work according to the principles.

Co-Curricular Activities

MBIC believes that every child possesses unique potential and can achieve remarkable things when motivated and given the opportunity to express themselves. The school fosters an environment where students actively engage in a variety of activities and competitions, helping them hone their skills and broaden their horizons. As they grow and learn, they gain valuable experiences that shape their abilities. Our students have consistently proven their excellence in numerous events at Interschool, State, National, and International levels, excelling in fields such as Arts, Dance, and Sports. This dedication to overall development continues to highlight the remarkable capabilities of our students.

Special Morning Assemblies

MBIC believes in nurturing students to become global citizens while preserving their traditional values. With this in mind, the school celebrates important national days and festivals through special assemblies, providing students with opportunities to honor their cultural heritage while embracing a broader worldview. These celebrations foster a sense of pride, unity, and respect for diversity among the students.

Foreign languages

We are proud to collaborate with the Korean Culture Center and regularly organize a variety of programs, including essay writing contests and quiz competitions. Additionally, we offer Korean hobby classes and Taekwondo sessions for our hostellers, providing them with unique cultural and physical activities that enhance their learning experience.

Scholarships

Scholarships can provide vital opportunities for children from low-income families, enabling them to continue their education based on merit. Our school is committed to implementing scholarship schemes to support deserving students. Many of our meritorious students have been recognized and awarded scholarships, helping them pursue their academic aspirations.

Balvatika

In our school, Balvatika is a vibrant and engaging early childhood education program designed to lay a strong foundation for young learners. It focuses on nurturing the overall development of children through play-based learning, helping them build essential skills in language, social interaction, creativity, and motor abilities. The environment in Balvatika is warm and welcoming, where children are encouraged to explore, discover, and express themselves freely. With dedicated teachers and a well-structured curriculum, Balvatika ensures that the children are prepared for a smooth transition to formal schooling while having fun and learning at their own pace.

Collaboration with HCL

MBIC played a pivotal role in implementing the My Clean City Waste Champions Program in collaboration with HCL, fostering awareness and action toward sustainable waste management. Activities included teacher and student orientation sessions, composting workshops, and the installation of composting infrastructure. The program emphasized waste segregation, dry waste collection drives, and celebrated key environmental events to engage the school community actively. Through these initiatives, MBIC successfully promoted eco-friendly practices, empowering students and staff as champions of a cleaner, greener future.

Farewell

Farewell party was organized on January 13, 2025, at the school premises, where both seniors and juniors shared a memorable evening filled with joy. The seniors received a warm welcome from the juniors, who were elegantly dressed for the occasion. The program commenced with enthusiastic performances by the juniors, who sang farewell songs that filled the atmosphere with emotion. Dressed in traditional costumes, the juniors presented a visually stunning tribute to bid farewell to their seniors. Following the solo performances, the event featured group dance performances by the juniors, showcasing their talent on both traditional and modern Hindi movie songs. The

juniors created an ambiance of joy and music, providing the seniors with a delightful experience to cherish as they approached the end of their college journey.

Faculty members extended their wishes to all students for their future endeavors, encouraging them to face life's challenges with confidence and give their best. Ms. Riya Sharma was crowned with the title of Ms. MBIC and Ms. Kashish was Ms. Farewell, adding a special moment to the event. Gifts were also presented to students who had excelled in various fields like Academics, Sports, Arts and Music, making the day even more memorable for everyone

Sports Day

Sports Day was celebrated with great enthusiasm at Mahamaya Baliika Inter College. Various sports activities were showcased during the event. The special guest for the occasion was international wrestler and Arjuna Award recipient Divya Kakran, while the chief guest was Sangeeta Chauhan, and the esteemed guest was Vishwas Tripathi, Registrar of Gautam Buddha University. The school principal, Dr. Neeraj Tandon, and vice-principal, Dr. Chhaya Jain, honored the guests by presenting them with bouquets and plants.

The event commenced with a parade. The guests were briefed about the significance of Sports Day. To honor the guests, the students presented a welcome song. The young kindergarten students showcased a splendid display of yoga. Aerobics, focusing on rhythmic physical fitness exercises, was also performed. Through Lezim, students formed a swastika, capturing everyone's attention. Students also performed the traditional dance of Assam. Various races such as sack race, lemon and spoon race, trolley race, and dumbbell race were organized for the students.

Workshops and counselling sessions

MBIC always inclined and directed towards fabricating the holistic development of the teachers and students through various workshops in and out of the school. These workshops take both academics and recreation into consideration which eventually act as the edifice of empowered learning and teaching.

Excursions and Trips

To explore, grow and to broaden the students' horizon in new frontiers, we conducted field trips and educational trips for our students. Excursions were also organized to enhance their knowledge. Students were taken to Bharat Shiksha Expo, Rangmanch Farms.

Hobby Classes of Abacus for Primary Section

This innovative program aims to enhance our students' mental math skills, logical reasoning, and problem-solving abilities. The Abacus training has been carefully designed to cater to the learning needs of our primary students, fostering a strong foundation in mathematics and beyond. The response from our students and parents has been overwhelmingly positive, with many reporting improved confidence and fluency in math. We are thrilled to see our students thrive in this new initiative and look forward to witnessing their continued growth and success.

BENEFITS OF ABACUS TRAINING

- 🌀 Enhances mental math skills and calculation speed.
- 🌀 Develops logical reasoning and problem-solving abilities.
- 🌀 Boosts confidence and fluency in mathematics fosters critical thinking and analytical skills.
